

AMENDMENT 1 TO ANNOUNCEMENT LS-7

SEPTEMBER 2004

**PURCHASE OF CANNED PINK SALMON
FOR DISTRIBUTION TO
FEDERAL FOOD AND NUTRITION PROGRAMS**

This amendment is being issued to amend Announcement LS-7 to include an additional pack size for the canned salmon and incorporate Amendment 2 to the Technical Data Supplement (TDS) for the Procurement of Canned Pink Salmon (CPS)-TDS-CPS, dated June 2001.

Section I.A., General, delete the first and second paragraph in its entirety and replace with the following:

“The United States Department of Agriculture (USDA) will periodically issue Invitations under this Announcement for offers to sell to USDA canned pink salmon. The canned pink salmon must be produced in accordance with the Commercial Item Description (CID), Salmon, Canned, A-A-20158B, dated July 22, 1993, and Technical Data Supplement for the Procurement of Canned Pink Salmon (TDS-CPS), dated June 2001, and Amendment 2, effective September 7, 2004. An offer unit for canned pink salmon must be packed in 24-14¾ oz. (418 g) cans per shipping container and 1,672 cases per offer unit (36,993 pounds) or 6-64 oz. (1814.37 g) cans per shipping container and 1495 cases per offer unit (35,880 pounds).

The Invitations will specify the offer date, product type, the closing time for receipt of bids, the shipping period, the destinations to be filled with any transportation restrictions, and any other provisions applicable to the proposed procurement, which are in addition to or different from those set forth herein (see Exhibit A for an example of an Invitation). Bids solicited under this Announcement and applicable Invitations are for delivery of products to USDA on an f.o.b. destination or f.a.s. vessel basis only.”

Section I. B., first paragraph, delete “Amendment 1, dated September 2001” and replace with “Amendment 2, effective September 7, 2004”.

Section II. D. Purchase Units, delete the paragraph in its entirety and replace it with the following:

“The purchase unit size for 14 ¾-ounce cans of pink salmon to be purchased is 1,672 cases (36,993 pounds). The purchase unit size for the 64 ounce cans of pink salmon to be purchased is 1495 cases (35,880 pounds). The quantity offered on bids must be in purchase unit increments. An offeror may bid the entire quantity on the Invitation or a greater amount, but not less than one unit (1672 cases or 1,495 cases). Only one offer price may be quoted to any delivery point listed from each shipping point, including combined destinations as one line item. Offerors may rearrange the destination sequence on these combined delivery units.”

Section II. E. Section 4. Certifications, delete the Item 2 in its entirety and replace with the following:

“2. By submitting this bid, Offeror certifies it HAS read and DOES agree to the terms of LS-7 and Amendment 1 dated September 2004, Appendix 1; Inv. ____; CID A-A-20158B dated July 22, 1993; TDS-CPS dated June 2001, and Amendment 2, effective September 7, 2004; USDA-1, Rev. 2, and Amds. 1, 2, 3, and 4, and the Federal Acquisition Regulations. (both boxes must be selected).

☐ HAS

☐ DOES”

Section IV. Provisions of Contract, replace “Amendment 1, dated September 2001; with “*Amendment 2, effective September 7, 2004*”.

Section V. Product Specifications and Inspection/Certification Services, replace “Amendment 1, dated September 2001” with “*Amendment 2, effective September 7, 2004.*”

Exhibit D, Certifications, Question 01), delete “Amendment 1, dated September 2001” with “*Amendment 2, effective September 7, 2004.*”

This amendment will be effective with offers submitted on and after September 17, 2004.
